NEW FIRE EXTINGUISHERS

ABC dry chemical extinguishers provide protection from fires comprised of combustible materials, flammable liquids and electrically charged equipment. This type of fire extinguisher is appropriate for installation throughout the common areas of offices, condos and hotels in basements, elevators, hallways and parking garages.

RE-CERTIFIED FIRE EXTINGUISHERS

We have a full inventory of recertified and reconditioned extinguishers that have been fully rebuilt by our team to their original operating condition. All components have been inspected and replaced as needed. All extinguisher shells have been hydro-tested and certified up-to-code. They come fully tagged and annually certified prior to installation. Save up to 40% over cost of new extinguishers.
